DEATH IS ACCIDENTAL

No Marks Found On Body. And Watch And Purse Being On Body Dispels Probability That Man Is Victim of Foul Play, Say Sleuths

Glassport, Oct. 28.—William C. Hoop, 45 years old, ticket agent at the Glassport station of the Pittsburgh & Lake Erie Railroad, was found drowned in two feet of water a short distance from the bank of the Monongahela river at a point in Eighth street, McKeesport, early today.

After an investigation county detectives reported that the man's death was due to accidental drowning. Foul play was feared at first, but no marks were found on the body and Hoop's watch and purse containing $26 were found in his pocket.

Hoop, whose home is in McKeesport, probably fell off a plank extending out over the river and was unable to get out of the water, the detectives said.

Mr. Bigler was a director in the First National bank of Scenery Hill.

They claim than an injustice has been done the young lawyer in delaying his admission to practice in that he is fully qualified to practice. They also claim that no reason has been assigned by the county bar committee for delaying admission of Mr. Douglass [illegible]

Following Negotiations France Recognized Russian Government

Paris, October 28—France recognized Russia today.

A telegram embodying official recognition was dispatched to the soviet government at noon.

Negotiations looking towards recognition of Russia by France have been under way for some time, practically since the Herriot government came into office. The question of czarist debts for a time stood in the way, but it finally was agreed these should be discussed by representatives of the two nations after the French government extended recognition.

Premier Herriot and Senator Demonic held a lengthy discussion on the subject of recognizing the soviet government in the light of the "Zinoviev letter" sensation in England and finally decided not to delay action.

A telegram giving the formula of recognition was forwarded to Moscow at noon. The text will be published as soon as a reply is received from the Russian government, possibly tonight.

SCHWAB DENIES BUYING PLANT

Rumor to the effect that the plant of the Pittsburgh Steel company and its auxiliaries was to be sold to Charles S. Schwab of the Bethlehem Steel corporation, was dissipated when Mr. Schwab denied reports that he was seeking to purchase control of the Pittsburgh Steel company and the McKeesport Tin Plate company. The steel magnate said his plans for the future development of the Bethlehem Steel Corporation lay in the eastern markets and that he had no intention of acquiring western properties.

This seems to settle the matter despite the fact that the rumor has been current in Monessen for a long time that Mr. Schwab held an option on the Pittsburgh Steel interests and the McKeesport Tin Plate plant that would not expire until on or about December first.

But whether the plant goes into the combine or not, it is said on very reliable authority that the plans for expansion of the plant in Monessen will go right on and that the mill will be enlarged, as has been proposed for some time. The company owns practically every foot of the river front between Monessen and Belle Vernon, including the old Gibson Distillery interests. The Schwab deal, it is understood, will have no bearing on the future plans of the company.

Paul Lynberg, pastor of Duquesne church. Mr. Leadbeter had been a patient in the city hospital since the accident.

He is survived by his wife, two daughters, Mrs. Frank Rankin of Grageton, Pa., and Miss Mary at home; and three sisters, Mrs. John W. Young of Miami, Florida, Mrs. J. Edgar Masters of Washington and Mrs. Jacob Hormell of McKean avenue, Charleroi.

He was a prominent mill man and formerly lived in Belle Vernon and at North Charleroi.

Police Find Liquor In Restaurant Raid In Monongahela City

A combination restaurant and pool room, conducted by Philip Monte in the basement of Hotel Main in Monongahela, was raided by Constable Ben Gibson, assisted by the city police of Monongahela yesterday, and considerable evidence was secured. Monte was arrested by Constable Gibson on a charge of the illegal sale and possession of intoxicating liquors. He was later released under $1,000 bail for a hearing before Alderman R. L. Ellwood.

Five pints of whisky and one whole and four half-barrels of beer were seized, and will be held as evidence against Monte. He is an old offender; and it is said has transgressed in the dry laws particular no less than four times.

Monte was doing a land office business, selling the concoction at $1.50 a pint, it is alleged. When the officers arrived, Monte had just run out of whisky at the bar and had sent a colored boy upstairs to his room in the hotel to secure an additional supply. The lad was returning down the steps with five pints under his arm, when the minions of the law apprehended him. The beer was loaded on a truck and removed to the Municipal building in Monongahela. Monte was last arrested with Mike Rossetti, a partner, for violation of the liquor laws on August 14, 1924, by the chief of police of Monongahela, and gove bail for court.

DECISION IN THE LILLY CASE IS AWAITED

Johnstown, Pa., October 28.—Argument has been presented by both sides in the case of 18 men convicted of an affray in connection with the Lilly outbreak last April, appealed to the Superior court and a decision in the case is now awaited.

The question argued before the higher court was whether or not a new trial may be granted. District Attorney Weimer, of Cambria county, opposed granting a reopening of the case against the men. The defense argued that a new trial should be granted because the conviction is a "blow at the theory on which our government is built—the right of a man to express his full liberty of action within the law."

LIQUOR LAWS ARE VIOLATED

Admitting that he was intoxicated when he ran his automobile at the rate of 40 miles an hour through the streets of Donora, smashing into three other machines, John Baxter of Ginger Hill, entered a plea of guilty in court yesterday to operating a motor vehicle while intoxicated. He was sentenced to pay the costs, $200 fine and to two months in jail.

It appears that he ran into and damaged the machine of Harry A. Cox, F. Wilson and Sam Rosenthal. He paid the repair bill, which amounted to about $500.

Alex. Paris of Avella, who was caught on the National Pike in Donegal township by Sergeant E. T. Cohee, of the state police, on August 8, with a car loaded with 115 quarts of Gibson whisky, entered a plea of guilty yesterday to the transportation of liquor. He was sentenced to pay the costs, a fine of $500 and to six months in the workhouse. This will be changed to three months in jail if the fine and costs are paid. Paris alleges that he had been hired to transport the liquor from Pittsburgh to Wheeling and he thought he would make some easy money. This was his first attempt and he was caught. Nebridio Di Nardo, a passenger in the car at the time of its capture, was released.

Martin Hiebroski, of Chartiers township, arrested by Constable John Vankirk, on charges of "manufacture and possession" was sentenced to pay the costs, a fine of $200 and four months in jail. If the fine and costs are paid this will be reduced to two months.

Martin Drozdik, of Bentleyville, for violation of the liquor laws, was sentenced by Judge Cummins to pay the costs, a fine of $100 and to [illegible] months in jail, to be reduced to one month if the fine and costs are paid.

Mike Zuba, of Arden, entered plea of guilty to charges of [illegible] against morality [illegible]

PADLOCK HOTELS IN NEW KENSINGTON

Greensburg, October 28—Judge Charles E. Whitten, today padlocked the Howard Hotel and Hotel Krick both of New Kensington for a period of one year. The restaurant [illegible] ordered closed for the same period.

The preliminary injunction obtained against Proprietor Harry J. Krick of the Krick Hotel and Frank Haid of the Howard Hotel was made permanent by Judge Whitten at the same time.

Both hotels repeatedly violated the prohibition laws even after they had been raided and a preliminary injunction gotten out against them, the state claimed.

THE CHURCH AND THEATRE.

Dean Inge of St. Paul's Cathedral, London, has made something like a prophecy as to a further service of the drama that may surprise conservative church people in America with a prejudice against the theatre. Perhaps he was led to it by a philosophical recognition of conditions noted in the recent remark of Bernard Shaw that "people are going less and less to church and more and more to the theatres." At all events the Dean in an article on "Romanticism," reprinted in this country by the Living Age, after [illegible] romanticism, "hope and love—not lust—and reverence for human nature," are much needed in post-war England goes on to deliver this notable utterance in reminder to ambitious but too often forgetful playwrights that the drama is a proper field for moral instruction as well as for artistic excellence.

"No signs of such a new angel of revival are clearly discernible in the chaos and babel that war has left behind. 'We see not our tokens; there is not one prophet more.' Perhaps he is among us somewhere, unknown; he may be a schoolboy or an apprentice. When becomes I am disposed to think that he will choose to speak to his generation neither from the pulpit, nor from the platform, nor from the printed page, but from the stage. A great dramatist may help us to find our souls."

THE ACE ISSUE.

Our tax problem alone is sufficient reason for every citizenof voting age to exercise his judgment of public officials by casting a ballot on election day. Lowering of the cost of government, thus making possible successive tax cuts, is the surest means of relief for the voter and his family. Officials who can show a record of drastic economy should be continued in office. Those who cannot show reductions in expenditure should be displaced by others who will agree to a cutting of costs. But economy is assured only through the votes of the taxpayers.

THE OFFICE CAT

Most men would be willing to earn their money honestly, if it didn't take so long.

The most progressive cities attract capital; others, less progressive, attack it when they can find any of it, which is seldom.

Saved by Confession.

"Doin' any good?" asked a curious individual looking over the rail of the bridge.

"Any good?" answered the fisherman below, "why I caught forty bass out o' here yesterday."

"Say, do you know who I am?" asked the man on the bridge.

The fisherman replied that he did not.

"Well, I'm the fish and game warden."

The fisherman, after a moment's thought, said:

"Say, do you know who I am?"

"No," replied the officer.

"Well, I am the biggest liar in the country."

And now may have it not,
But its delicious frosted taste,
Will not be soon forgot.
Yes, I have eaten all my cake.

Whatever goes or comes.
But, oh the cake was good to see,
And it was sweet to taste—
And had I hoarded it, who knows—
It might have gone to waste!

PIRATES TRADE GRIMM COOPER AND MARANVILLE TO THE CUBS

Determined to take a drastic step toward [illegible] the batting powers of the Pirates, Bill McKechnie, skipper of the Forbes Field crew, has just made a startling swap of players, giving Wilbur Cooper, veteran southpaw; Walter Maranville, famous shortstop and second baseman and Charley Grimm, greatest fielding first baseman in the business to the Chicago Cubs for Pitcher Victor Aldridge, Infielder George Grantham and Albert Niehaus, a young guardian of the initial station, who has yet to make his bow in fast company.

The negotiations for this transaction were opened last Saturday morning when President William L. Veeck and Manager William J. Killefer of the Cubs reached the city from Chicago after accepting an invitation to attend the twenty-fifth anniversary of the arrival of Barney Dreyfus in Pittsburgh to become owner of the Pittsburgh club in the National League.

Veeck and Killefer were in a mood to bolster their team and they do[illegible] business with pleasure. They asked Dreyfus if he was willing to listen to a proposition along lines of swapping. He replied that he never would turn a deaf ear to anything that might tend to benefit his club, but nothing would be done without the full approval of McKechnie.

Accordingly, Veeck, Dreyfus, Killefer and McKechnie agreed to [illegible] the same time and endeavor to talk turkey. The Chicago magnates were determined to have three players. Killefer said he would part with Grantham, one of the most dangerous lefthanded batters in the circuit, provided he could obtain in return a star second baseman of the highest magnitude. The Pirates had only one who would fill the bill, Maranville. The Cub leader also was willing to trade Aldridge, one of his most effective right-handed hurlers for a groundsman who delivered from the left side. No second-rater would be accepted under any circumstances so the big deal went through.

A FIGHTER DIES IN RING AFTER BAD BEATING

Ralph Thomas, of Cleveland, Ohio, a boxer well-known in Yonkers, N. Y., and locality, and for his ability to take punishment, fell dead in the ring near the end of the second round of his bout at Yonkers last night with Albert Yohcher.

The two fighters had engaged in a series of rough clinches and 15 seconds before he fell, Thomas had been struck near the heart. Physicians said death was due to heart failure.

The dead boxer's right name was Thomaso.

"DICKIE" LOEB TO ATTEND FUNERAL OF HIS FATHER

Chicago, Oct 28—Richard "Dickie" Loeb, who with Nathan Leopold, Jr., murdered 14-year-old Bobby Franks, may be released from the Illinois state penitentiary at Joliet long enough to attend the funeral of his multi-millionaire father, Albert H. Loeb, who died at his home here shortly before midnight.

Richard's father, senior vice president of Sears Roebuck and Co. expired of heart failure after a prolonged illness. Members of the Loeb family were emphatic in denying that death was brought about or even hastened by the confession, court hearing, and sentencing of his third eldest son to the penitentiary for life.

John L. Whitman, warden of the penitentiary, is known to favor the granting of permission to prisoners to attend funerals of near relatives, and if application is made, it is considered almost certain that Dickie will leave the prison for a few hours at least.

Monongahela Protests The California Game--Question Decision of Referee

The fact that Prof. H. W. Crane of the Athletic Council of Monongahela High school has protested the Monongahela High-California High game at California last Saturday, may have some bearing on future games, as they affect the schedule. The reasons ascribed for the protest are:

"California scored a touchdown in the last two minutes of play, defeating Monongahela by the score of 6-0.

"The protest is made on the grounds of Referee Evans rendering an obsolete decision when Monongahela punted to California's territory in the last few minutes of the game. By the referee's ruling California was given the ball [illegible]

"The protest rests now in the hands of the W. P. I. A. L., and a decision will be rendered by the committee as soon as all the facts are heard."

FEAT OF ROSS ADDS MERIT TO BILL IN THE CITY

The feat of Tony Ross, of Carnegie, defeating the highly touted Bobby Tracey in Buffalo last night, goes to add merit to the opening card at Motor Square Garden, which will be staged Monday night. Ross, whose only nemesis seems to be Cuddy DeMarco, will meet Frankie Stellmack of Cleveland, in the eight-round semi-final to the DeMarco-Pep O'Brien feature. Walter Dickerson and Young Penno of McKees Rocks is another bout which brings fans to their feet, as slugging is their main stock in trade. One other bout will complete the program and it will likely be announced today.

The pairing of DeMarco and O'Brien will go a long way toward determining the Charleroi flash's survival in the ranks of the lightweight contenders. O'Brien, one of the hardest punchers in the division, recently gained a decision over DeMarco in McKeesport, which is a feat in itself as it is the first and only time Cuddy has ever been beaten in his home section, having met Lew Tendler, Joe Tiplitz, O'Brien is not a flash in the pan, he Clonie Tait, Jimmy Goodrich, Tommy O'Brien, who recently beat DeMarco twice, and Sid Marks. O'Brien almost stopped Tendler with one of his vicious rights, having the Philadelphian on the floor for a count of nine.

Hughey Manson of Homestead and Andy Tomasky of Wilmerding have been matched to meet in the second bout on the program of the Majestic club's boxing show in the Palisades rink, McKeesport, Thursday. Johnny Ward of the Tube City and Johnny King of Fayette City, the main bout principals, will wind up their hard training today. Both are in fine trim and promise the fans a great slugging match. The program will be completed today, when the opening bout will be announced.

SLATTERY WINS FROM GENET; ROSS, A WINNER

Jimmy Slattery added another scalp to his belt last night at Buffalo, when he won the decision on points in six rounds from Norm Genet the iron man from Ohio. Jimmy could have put the Ohio boy away but let up on him in the fifth after he had one eye cut badly and the other closed. Slattery fought his usual fight, and the visitor did no damage to "Slatts," while Jimmy's left played a tatto on [illegible] tack on the iron man's midsection. The crowd gave Jimmy a good hand for not putting his man out. Slatts evidently thought to spare his hands and was content to take the decision on points.

In the semi-final Tony Ross of Carnegie Pa. gave Bobby Tracey a real battle, the visitor getting the decision at the end of the six rounds. Tony had it all over the Buffalo boxer and was never in any danger, using his feet as well as his hands. It was one of the fastest six rounds fought by lightweights in Buffalo. It was a popular decision with the crowd.

Vicet Onge of Buffalo and Frankie Mason of Fort Wayne, Ind., fought a fast six round draw.

SIG KEPPER GETS VERDICT OVER BABE PICATO OF NEW CASTLE

Sig Kepper of Beaver Falls was awarded the judges' decision over Babe Picato, of New Castle, in their scheduled 10-round bout held in the Lyceum theatre at Beaver Falls last night. Both boys mixed it fast and heavy in the second round, but on the whole the affair was rather slow. In the fourth round Picato claimed a foul, stating that Keppen had struck him below the waist line. The crowd [illegible] was overruled by the judges.

In the semi-final six round bout Art Mills of Ellwood City was defeated by Ted Easterbrook of Niles, Ohio, who was given the decision.

The thrill of the show came in the second bout of the evening when Patsy Flanagan, the Irish slugger from Niles, Ohio, knocked out Frankie Caruso of Pittsburgh, in the third round.

True to his sobriquet, Pick Forkins of New York was picked as the winner over his opponent, Babe Belford of Conway, in the six-round curtain-raiser.

Savings Deposits

There are many people who delay the opening of a Savings Account because they feel that a small deposit will not be welcome and that it is better to wait until they have accumulated a considerable sum. Too often they keep on waiting.

The First National Bank wants you to know that we welcome Savings deposits in any amount from $1.00 upwards and that the size of the account does not matter so much. The REGULARITY with which you save means more to us—and to you—than the amount deposited.

"FOOLS IN THE DARK" COMING TO THE MAJESTIC TOMORROW

An original story from the pen of Bertram Hillhauser takes the prize as one of the most amusing screen comedy-dramas of the year, according to the best informed movie critics, who have branded Ay Santell's latest F. B. O. success, "Fools in the Dark," as one of the most humorous as well as one of the most tensely dramatic mystery stories ever screened. The plot revolves around the activities and literary aspirations of a young man whose father has become wealthy as the inventor of the Stayclean Garbage Can. This is a great chagrin to his son, who has social climbing ideas and wants to write movie scenarios for a living.

The complications are many, and all of them are provocative of laughs and thrills. Matt Moore and Patsy Ruth Miller are the co-stars of the production. It opens at the Majestic theatre tomorrow, to include Thursday.

COUPLE SET A RECORD; ADOPT THE FIFTH CHILD

Mr. and Mrs. Frederick Greene, now of New Eagle, by decree of court yesterday, after hearing, became the legal father and mother of Corstantino Georgia Gughelino, born October 16, 1919, this being the fifth child they have adopted. One of these died since adoption, and a second was killed in the Morgan opera house disaster at Canonsburg several years ago. Mr. and Mrs. Greene, yesterday consulted with their counsel relative to the adoption of another child, which would make six for whom they have assumed the relation of parents.

The child adopted has been abandoned by the mother, who was given notice of the proposed adoption but was indifferent as to the welfare of the child. The father is an invalid and confined to a hospital and will never be well again. Mr. and Mrs. Greene have had the child in their home for more than a year.

Another adoption before the court yesterday was out of the ordinary. Margaret Glenda Frame and Bessie Lavina Frame of Gastonville, were adopted by their stepfather, William Higbee. The father of the girls is divorced from their mother and the mother married to Mr. Higbee. The girl's father consented to the adoption.

Three other adoption cases, delinquent children taken by couples without children were also approved by the court.

The members of the Sewing Circle of the First Christian church met Friday evening at the home of Miss Eva Allen, Overbrooke farm, fancy work and sewing being the main diversions of the evening. During the business session it was decided to hold the annual Christmas bazaar in the basement of the church December 12 and 13. Officers for the forthcoming year were elected as follows: President, Mrs. Charles Stroud; secretary and treasurer, Miss Mayme Long. A Halloween luncheon was served by the hostess at the close of the evening.

Mrs. William Hicker of Speers, last Friday evening, entertained the members of the cast of "Sophronia's Wedding," a play that was given by the Dames of Malta of Belle Vernon several weeks ago. There were guests present to the number of 25 from Charleroi, Belle Vernon and Speers. The interior of the home was decorated in accordance with the Halloween season. A delightful luncheon was served by Mrs. Joseph Davenport, of Speers and Mrs. Andy Davenport of Pricedale. HAUGHTON PASSES AT PEAK OF HIS COACH CAREER

New York, Oct. 28—At the peak of his career as a football coach, Percy D. Haughton is dead.

The famous gridiron mentor passed away suddenly from an attack of neuralgia of the heart at St. Luke's Hospital at 5.10 p. mfl Monday.

Haugton practically died in harness. He was donning his football togs preparatory to directing the Columbia University eleven in practice at Quaker Field, when he complained of pains in his chest. Two hours later, he died.

Tribute to Haughton as a man and as a coach poured in to Columbia today. Walter Camp, Coach Bob Fisher of Harvard; Roper of Princeton, and John T. Blossom, Yale director of Athletics, all were shocked at the sudden death of the football genius whose "Haughton system" had enabled Harvard teams to sweep the gridirons of the east.

While Haughton was at Harvard his teams won 64 games, tied five and lost but four. But his achievement within the past fortnight at Columbia was being hailed by football enthusiasts as even more remarkable, when his sudden end plunged the University into deep gloom.

Haughton had given Columbia a smashing, scientific eleven, perhaps its best in a score of years and victory over Wilhams Saturday marked the accomplishment.

Himself a famous athlete in his younger days—Haughton was in his 49th year—the coach had enjoyed good health. At the end, doctors at St. Luke's were assuring him there was nothing the matter with his heart. It developed later, however, that his mother and one of his brothers died from as imilar cause.

The coach was in his room at Baker Field, getting into uniform when he complained of pains in his chest and shoulders. Dr. Paul C Withington medical director and line coach of the Columbia team, persuaded him with difficulty to lie down, and later to go to St Luke's. There, following a hypodermic injection he felt better for a while, and remarked: 'I think I'll be back on the job in a day or two.' Then he fell back dead.

Dr. Withington will take charge of Columbia's football team for the remainder of the season.

"Paul, congratulate the team for me, tell them I'm proud of them," was the message Haughton sent from the hospital a few minutes before he died.

The University committee on athletics and the football committee held a hurried meeting at the Columbia club but reached no decision as to the effect Haughton's passing will have upon football at Columbia during the remainder of the year. A decision may be reached today or tomorrow.

The body was at St. Luke's hospital this morning, owing to some difficulty concerning the death certificate and upon the wishes of Mrs. Haughton, who was notified at her home in Boston, and who came here last night, the decision as to whether the four remaining games on Columbia's schedule s hall be played depends.

WAR CLOUDS ARE LOOMING AT SHANGHAI, CHINA

Shanghai, Oct. 28—War may break out here again as result of Marshal Feng Yu Hsiang's coup d'etat at Peking.

Victorious and defeated troops in the vicinity of Shanghai now are divided on new lines, half supporting Feng, half remaining loyal to Wu Pei Fu.

Marshal Chi Nsieh Yuan, who defeated Lu Yung Hsiang and took Shanghai after stubborn fighting, was a close ally of Wu Pei Fu. Some of his troops have started for Tien Tsin to aid Wu on the retaking of Pekin, which was seized by Feng's Christian troops last week.

Rumor was persistent here today that Marshal Feng had been assassinated at Pekin. Communication was poor and the rumor could not be verified but it was persistent enough to boost the price of silver.
